## First time here?

*We're glad you came. It's not easy sometimes to check out something new when you don't know what to expect.*

*Now that you are here we want you to know.... We will not embarrass you. Sit back, relax, and take part in the singing, but don't feel you have to. You can fill out the attached welcome card and drop it in the offering if you like. If you have questions, you can ask anything at the Welcome Center. Or you can kick back, be anonymous and enjoy the service.*

*And a word about kids. If you've got them, we know the experience they have is important. We've worked hard to provide the cleanest, safest, and most enjoyable experience possible for your children. Drop them off with confidence. We know they'll talk about it all the way home.*

*So thanks for coming. We're glad you took the chance to come and check things out. Hope it's a great morning for you!*
